REQUEST FOR QUOTATION

PROJECT TITLE : **OMAN AIRLINES AIRFARE FOR 2019 HAJJ**
RFQ No. : 2018-103 Date: November 09, 2018

His Excellency:

Pursuant to Republic Act No. 9184 otherwise known as the Philippine Government Procurement Law and its Implementing Rules and Regulations on overseas procurement, may we request for your lowest airfare quotation for Manila-Madinah and Jeddah-Manila, for approximately 6,000 Muslim Filipino pilgrims that we expect to participate in the forthcoming 2019 haj.

Relative to this request, and in behalf of the minority poor Muslims of this country, we are appealing to you as part of the corporate social responsibility (CSR) of your company to give us an **OFW FARE QUOTATION**. Thousands of our Philippine pilgrims come from Marawi City, whose 200,000 Muslim residents were devastated by the 5-month War in Marawi last year that destroyed their homes and livelihood. Moreover, the inflation the Philippines has recently suffered has impacted to the poor Muslim Filipinos as their years of savings for haj purposes became insufficient, thus aggravating their financial crisis. We honestly hope for your kind consideration of this request.

Thank you very much and please send your response to this request not later than **November 25, 2018** thru any of the following modes, after which we shall award the contract to the winning bidding airline that offers the lowest fare.

1. *By personal delivery* or through registered mail, addressed to **Atty. Saidamen B. Pangarungan**, Secretary/Minister, National Commission on Muslim Filipinos, Jocfer Annex Building, 79 Commonwealth Avenue, Diliman, Quezon City, Philippines; and
2. *By email* to be sent to: ncmf.osea@gmail.com; or
3. *By fax* number 02-9524875.

Very truly yours,

DIR. DIMAPUNO A. DATU-RAMOS, JR.
