Dear Mr. Lidasan,

Thank you for choosing Park Inn by Radisson North EDSA as the venue for MEALS AND ACCOMMODATION FOR THE CONDUCT OF 47TH NQRC on March 14 TO 16, 2022. We have attached the agreement outlining the details as discussed to date.

One of Radisson Hotel Group's highest priorities is the continued health, safety and security of its guests, team members, and business partners. Park Inn by Radisson's goal is to offer best possible hotel stays for our guests and have further strengthened our existing rigorous sanitation, cleanliness and disinfection guidelines to ensure all guests have clean and safe stays.

The new guidelines include hand sanitizing stations at all entrances, use of Personal Protective Equipment (PPE) and protective screens, enhanced and recorded cleaning and disinfection frequency, social distancing in all areas of its hotels, including in the Meeting & Event facilities, training in local, Centers for Disease Control, or World Health Organization recommendations and health guidelines, reiteration of food safety standards and comprehensive staff training.

This in-depth cleanliness and disinfection protocol are created in partnership with SGS, the world's leading inspection, verification, testing and certification company.

A new 20-step protocol for hotels and 10-step protocol for meeting and event spaces is currently being introduced to our hotels. New cleaning and disinfection procedures, increased attention to safety in communal spaces, protective equipment, and updated training for team members are included in the new protocols. All our worldwide locations are being briefed on these protocols and strongly encouraged to implement them. These protocols describe specific processes and measures that are designed to make you feel confident when you visit us.

In order for us to continue to hold the confirmed space, please return the signed agreement by **March 11, 2022**.

We look forward to working with you and welcoming your valued guests to **Park Inn by Radisson North EDSA**.
