

ERRONEOUS POSTING TO BE CORRECTED ON PHILGEPS

On date here, the Procurement Project entitled: **SUPPLY AND DELIVERY OF VACCINES** was published in the Philippine Government Electronic Procurement System (PhilGEPS) with the following details:

Reference No. : **10869461**

Procurement Mode: **Negotiated Procurement - Small Value Procurement (Sec. 53.9)**

ABC: **PHP 285,000.00**

Date of Publication: **18/05/2024**

The above Procurement Project went through the process following the guidelines stated in RA 9184 and its Revised IRR, however, we discovered a mistake when it was mistakenly encoded under the Approved Budget for the Contract amounting to Php 285,000.00 instead of Php 375,000.00. However, the ABC stated in the RFQ and specifications were correct.

This explanation is made to correct our previous posting and promise not to do the same mistake in the future.

For your reference and perusal.
